

Boston University Metropolitan College
Department of Computer Science

MS in Software Development

Recommended Program Schedules

Fall 2020 Start – Online

Important Message:

Students may modify the course order to suit personal availability, career goals and elective choices. However, when scheduling electives or adjusting course order, review the course prerequisite requirements first. Please consult the Online Program Coordinator with any scheduling questions, course waivers, course overload or course substitution requests at metcsol@bu.edu.

MASTER OF SCIENCE IN SOFTWARE DEVELOPMENT

FALL 2020 Starts – Online

Fall 1 - Recommended Online Program Schedule

	Term 1	Term 2
Fall 2020	CS 521 Information Structures with Python	CS 526 Data Structures and Algorithms
Spring 2021	CS 622 Advanced Programming Techniques	CS 665 Software Design and Patterns
Summer 2021	Elective 1	Elective 2
Fall 2021	CS 673 Software Engineering OR CS 682 Information Systems Analysis and Design	Elective 3

Anticipated Graduation Date: January 2022

Fall 2 - Recommended Online Program Schedule

	Term 1	Term 2
Fall 2020		Elective 1
Spring 2021	CS 521 Information Structures with Python	CS 526 Data Structures and Algorithms
Summer 2021	CS 622 Advanced Programming Techniques	CS 665 Software Design and Patterns
Fall 2021	CS 673 Software Engineering OR CS 682 Information Systems Analysis and Design	Elective 2
Spring 2022	Elective 3	

Anticipated Graduation Date: May 2022
